

Fork Mounted Sweepers

Fork Mounted Sweeper - The forklift mounted broom accessory could make industrial sweeping jobs a lot easier. Intended for use on either wet or dry surfaces, this mounted broom accessory can push snow and squeegee water easily. This particular attachment is usually utilized so as to clean trash from warehouses, construction sites, docks, parking lots and almost everywhere it is considered necessary. The lift truck sweeper is a low maintenance attachment which uses quick-tite fork products to easily attach to the forklift.
