

American Lincoln Part

American Lincoln Parts - The American Lincoln division is currently linked with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning machines that are known within the industry as strong and durable equipment that satisfies all the needs of larger infrastructure and heavy industry. Products made in America; the sales are conducted nationwide via authorized distributors, direct Government sales and national accounts.

American Lincoln shares the battery operated walk behind model of floor scrubber together with the Clarke Company that is now likewise owned by Nilfisk Advance. Their manufacturing operations are mainly based in Springdale Arkansas. These scrubbers are accessible in the market under the trade mark name "Encore". American Lincoln could supply warranty service, machinery and parts for these scrubbers that have both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice equipment of big distribution centers like Target and Wal-Mart. The 7765 line has earned the respect of numerous facility supervisors where efficiency and results make a difference. Recently, this particular floor scrubber model has been used by the architects in new construction projects like Home Depot's and Lowes Home Improvement Stores. Flooring contractors make use of this sweeper scrubber on location because of the model's supreme performance level and high standard of quality for polishing concrete.
